Serve as a central resource to providers, patients, and the community for information regarding insurance enrollment as well as building relationships with other community resources.

Essential Functions of the OHP Application Assister:

- Assist clients with all aspects of the enrollment and/or renewal processes using the OHA system.
- Assist with profile creation and update.
- Assist with explanation of eligibility determination.
- Attend local community events, health fairs, and other assigned venues to reach the targeted population.
- Provide enrollment and/or educational outreach services at tables and booths at local businesses and community organizations.
- Provide exceptional customer service.
- Make referrals to other community organizations and services.
- Follow all approved standard operating procedures and other applicable state and federal regulations.
- Effectively communicate with both internal and external clients.
- Maintain accountability, reliability and dependability when performing all assigned job duties.
- Participate in training sessions as required for community health center and OHA grant agreement.
- Connect clients or consumers to information on publicly sponsored health insurance.
- Attend appropriate community or networking meetings to facilitate outreach and gathering of information to support consumer access to healthcare.
- Work with local schools, faith community, senior centers, law enforcement, community partners, and employers to build awareness of CCHC's services.
- Gather information regarding health care needs of students, recommend/implement outreach strategies to increase student access to healthcare.
- Perform other related duties as assigned.

Education and Experience:

- Successfully complete mandatory training and certification requirements in allotted timeframe.
- Ability to demonstrate proficiency in computer literacy, use of relevant computer applications such as MS Office, and use of other types of office technology.
- Basic knowledge of healthcare and/or the Affordable Care Act.
- Work experience in community outreach or experience in social services desirable, or ability to demonstrate knowledge of community and school health and social service needs.
- Strong customer service skills and respectful approach in working with the community.
- Minimum 2 years of experience in Community Health or Customer Service.
- Strong communication skills.
- Associates degree in social services or other related field desirable.
- High School or GED required.

Skills and Abilities:

- Exercise initiative, judgement, problem-solving and decision-making skills.
- Exercise conflict resolution skills; identifies problems, recommend solutions; and remain calm in urgent situations and work under pressure.
- Exercise strong communication/presentation skills; create and execute presentations to large and small groups, inform and engage community with the objective of gaining and building community support and positive relationships.
- Work independently and as part of a team; strong self-management, multi-tasking, prioritizing tasks skills.
- Exercise time management and flexibility in the schedule of work hours.
- Remain non-judgmental in working with an indigent population and maintain confidentiality.
- Computer skills required.

Physical Demands:

This position requires; some evening and/or weekend commitments; travel between clinic sites; periodic travel within the region; ability to safely operate a motorized vehicle. Must possess a valid driver's license, proof of auto insurance and have a reliable vehicle.
