

COAST COMMUNITY HEALTH center

Serving Oregon South Coast Residents
Bandon, Langlois, Port Orford, Agness

Caring attention from highly qualified medical professionals

The mission of Coast Community Health Center is to provide an efficient, friendly and caring environment for the delivery of high quality, affordable primary health care services for all residents of Bandon and the surrounding areas.

Coast Community Health Center is a private, not-for-profit, federally funded health center. Our primary health care clinic is located in Bandon. Outreach services are provided at the Pacific High School Pirate Wellness Center.

Members of the press are welcome to contact Coast Community Health Center any time for information about health care and patient services for residents of the Southern Oregon Coast.

Communication with the staff and board of directors, including site visits, is welcome by appointment.

Clinic move and expansion–Bandon Community Health Center is now Coast Community Health Center

Coast Community Health Center providers offer caring attention to patients of all ages in our Bandon clinic and the Pirate Wellness Center, at Pacific High School, for families in the 2CJ school district. Our team approach to primary care ensures patients benefit from the skill and expertise each of our providers brings to the community.

Hank Holmes, MD

Doctor Hank Holmes, MD, is a third generation family physician with 35 years medical experience. He spent many years serving rural communities of Oregon, Arizona and California, and worked on the Navajo Reservation and in Africa. Dr. Holmes' license and certifications include: Oregon License MD, Federal Narcotics Registration, National Board of Medical Examiners, American Board of Family Practice.

Dr. Holmes began serving patients in Bandon in 2014. His passion has always been for collaboration with competent, passionate, compassionate teams to serve the unmet needs of a community, which is why Coast Community Health Center is a great fit.

Laura Bye Franklin, MN, FNP BC

For more than a decade, NP Bye Franklin has served patients in varied medical settings, including hospitals, clinics and home health locations throughout the Pacific Northwest. She began her medical career as a registered nurse and earned her Masters of Nursing and ANCC board certification in 2009.

As a Family Nurse Practitioner, NP Bye Franklin's special areas of expertise include chronic pain management and geriatric care. She develops long term patient relationships characterized by effective communication with each individual. She joined the Coast Community Health Center team in 2014.

Debra Guzman, MN, FNP BC

Debra is a Board Certified Family Nurse Practitioner who has worked in healthcare for 19 years, serving children and adults in the Midwest and Oregon. Debra started her medical career as a registered nurse before earning board certification as a Family Nurse Practitioner.

She brings an extensive background in diabetes management for adult and pediatric patients, plus cardiac care and urgent health care services. Debra is committed to educating patients of all ages about the risks and management of diabetes, including treatment and nutrition—and treatment of hyper/hypoglycemic events. She joined the Coast Community Health Center team in 2012.
