Everything is included in this packet that you will need to establish care at Coast Community Health Center. Please return the completed packet to our health center either by mail, or drop it off in person.

Statement of Office Policy

Patient Expectations

- <u>Complete</u>, <u>Sign</u>, <u>Date</u> and <u>Return</u> your NEW PATIENT PACKET to our office <u>no later than three (3)</u>
 <u>business days before the initial visit</u>. We may need to reschedule your appointment if we do not receive it on time.
- <u>Please arrive 15 MINUTES PRIOR</u> to your scheduled appointment. While we try to accommodate all patients, you may have to wait if you are late or we may need to reschedule your appointment.
- Bring your full MEDICATION LIST (or medications) to all appointments.

Appointments

- It is important to contact us if you are unable to keep your appointment. Your time and our time is valuable. The sooner you let us know that you cannot make your appointment, the sooner we can schedule someone else who needs medical care.
- Walk-in availability is limited. While we will try to accommodate you, please note that you may have to wait.
- We do not manage long-term pain management. If you have long term pain then we will refer you to partner organizations.
- We have an on-call provider available after hours. After hours coverage is provided for all patients by calling the Health Center's main number at 541-347-2529 after normal business hours. Your call will connect you to our Nurse Triage Line who can contact the Provider on-call. In an **EMERGENCY**, **CALL 911** or go to your closest hospital.

Prescriptions

- Patients are responsible for contacting their pharmacy and requesting that medications refills be faxed to our office. Coast Community Health Center has a <u>two-business day refill policy</u>. Our fax number is 541-347-9196.
- We will try to provide you with medications covered by your insurance; however, please provide us with your insurance company's formulary list. We will assist you in obtaining your prescription through all reasonable and appropriate means.

Messages

• By signing the Statement of Office Policy, the undersigned agrees and authorizes Coast Community Health Center to leave a voice-mail message at the phone number(s) designated by the undersigned.

Weapons in the Health Center

Coast Community Health Center strives to maintain an environment that is caring, nurturing and safe. Patients, therefore, are requested not to bring weapons of any form into the health center facilities. (The only exception is for authorized law enforcement officers while on duty.)

Financial Policy

- We are participating providers for most private pay insurances.
- We bill all insurance companies as a courtesy. It is the patient's responsibility to monitor the payment process with the insurance company. Although we make every effort to help patients collect from an insurance claim, the patient is responsible for the bill.
- All payments are due at the time of services rendered.
- Patients with household incomes below 200% of the Federal Poverty Guidelines (FPG) may qualify to have their services, deductible, and/or co-payment discounted on the sliding fee scale. Please ask us for our Sliding Scale application or review it on our website at www.coastcommunityhealth.org.
- A valid insurance card and/or ID is requested at each visit.
- We work with our patients regarding setting up payment terms.
- If there is an outstanding balance 90 days after the date of service, we may turn your account over to a collection agency. If your account does go to an outside agency, you agree to pay any court costs and reasonable attorney's fees, with or without suit, incurred in collecting any past due balances. If a suit or an action is filed, the amount of such reasonable attorney's fees or collection charges shall be fixed by the court in which the suit or action (including any appeal therein) is tried, heard or decided.
- Personal pay patients must pay for their visit in full at time of service.
- Any payments can be made by cash, check, or credit card.
- Patients will be expected to pay a \$25.00 returned check fee for any checks that are returned.

Patients Qualifying for the Sliding Fee Scale Payment Plan

- You may qualify for the sliding fee schedule. The sliding fee scale payment plan is based on your household size and income. In order to qualify for the sliding fee scale, you must provide certain source documents regarding your income.
- Services rendered are due on the date of service. Based on the qualifications, your minimum charge will cover the estimated cost of your office visit. Other services may require additional charges.

Ask a Patient Representative for the Sliding Fee Scale packet.
