

# Health Insurance Checklist

Start your insurance conversation with a Certified Application Assister.

Learn about eligibility, enrollment & re-enrollment in the Oregon Health Plan. The service is free and confidential.

Start enrollment with just your name, address, birthdate and estimated income.

Want to speed your enrollment? Here's what to bring:

- An email address, for messages about your [HealthCare.gov](https://www.healthcare.gov) account
- Mailing address
- Birthdates for you and members of your household whom you'd like to enroll
- Social Security numbers (for those who have one) –or–
- Alien Resident numbers
- Estimated household income, from pay stubs or W-2 forms
- Info about health insurance available through your employer
- You will *not* be asked about medical conditions
