# Coast Community Health Center expanding services for North Curry

Feb 21, 2017

PORT ORFORD — Did you know that Coast Community Health Center has an office in Bandon and in Port Orford?

The Port Orford office recently celebrated the move to the new location at 1312 Tichenor Ave. with an open house. The double-wide home turned office houses outreach staff as well as a guest office space for a Southwestern Oregon Community College advisor, the Curry County Veteran's Representative, as well as Oregon Coast Community Action's HUD VASH Program Officer and Curry Services Coordinator.

This new office sits on property recently purchased by Coast Community which will be used for building an all new clinic and wellness center for North Curry residents in 2017. A generous grant of \$100,000 from the Oregon Community Foundation was accepted by Linda Maxon on behalf of Coast Community Health Center board of directors that will enable this expansion project to begin in the next few months.

For a sneak peek at the plans for the new clinical and wellness space, visit the Bandon lobby and view the architectural drawing.
