Need assistance getting to your appointment? We can help schedule your ride, or provide you with a bus pass, or gas card, or set up a pick up or drop off.

- Do you have Oregon Health Plan (OHP)? If so, your insurance provides transportation:
- Bay Cities Brokerage (1-877-324-8109) for WOA or Ready Ride (1-800-479-7920) for AllCare. (Patients may call themselves, or CCHC staff can assist if necessary, to set up transport.)
- If you do not have OHP, we can help. Here is how we will assist you:
 - CCHC staff will need to complete a Patient Transportation Assistance form which you will need to sign.
 - Then you will either receive a bus pass, gas card, or CCHC staff will set up other transportation arrangements using an outside service.
 - Patients may pick up gas cards/vouchers up to 3 days prior to appointments, and/or at the time of appointment.
 - No gas cards/vouchers will be issued unless appointment/referral is verified by staff. Gas cards are distributed using the following chart.
 - No individual patient may receive more than \$500.00 in assistance in 1 year.
