**Financial Policy**

- We are participating providers for most private pay insurances.
- We bill insurance companies as a courtesy. We make every effort to help patients collect from an insurance claim, the patient is responsible for the bill.
- All payments are due at the time of services provided. Payments can be made by cash, check, or credit card.
- Patients with household incomes below 200% of the Federal Poverty Guidelines (FPG) may qualify to have their services, deductible, and/or co-payment discounted on the sliding fee scale.
- A valid insurance card and/or ID is requested at each visit.
- We work with our patients regarding setting up payment terms if unable to pay full amount.
- If there is an outstanding balance 90 day after the date of service, we may turn your account over to a collection agency. If your account does go to an outside agency, you agree to pay any court costs and reasonable attorney's fees, with or without suit, incurred in collecting any past due balances.
- Patients will be expected to pay a \$25.00 returned check fee for any checks that are returned.

**Sliding Fee Scale Payment Plan**

- You may qualify for the sliding fee schedule. The sliding fee scale payment plan is based on your household size and income. Please ask us for our Sliding Scale application. You can also review it on our website at [www.coastcommunityhealth.org](http://www.coastcommunityhealth.org).
- To qualify for the sliding fee scale, you may need to provide certain source documents regarding your income.
- Payment for services rendered are due on the date of service. Based on the qualifications, your minimum charge will cover the services of your office visit. Other services may require additional charges.

When you make payments for services provided, you enable us to keep our doors open. You are investing in your future and ours. We appreciate that payments be made at the time services are provided.
