# MyChart Quick Start Guide

Are You Ready?  
To Use MyChart you need:

## Internet Access

Make sure to feature your bestsellers or signature products or pieces. Keep it simple and to the point by listing the name, price and brief description.

## A Private Email Address

If you do not have an email address, you can get one for free online.

## MyChart Activation Code

Ask your Care Team about the different ways to activate MyChart; activation code is case sensitive.

## Privacy

MyChart is password protected so others cannot log in to your account and see your information.

# Getting Started

There are three ways to sign up.  
Ask your Care Team for details.

1. At the health center with an activation code and help from staff.

2. At home with an activation code the health center staff gives you.

Use the activation code from your Care Team, your date of birth and last 4 digits of your social to register from your home computer. Go to [www.opendoorhealth.com](http://www.opendoorhealth.com) and click on the MyChart link.

### 3. Self Sign-Up

Tell your Care Team you want help signing up and do it together.

- Name
- Date of Birth
- Social Security Number

*If the information provided matches your Open Door registration exactly, you will be enrolled immediately.*
